About me Work Contact

Hello! my name is Reem Ahmed.

Thank you for visiting my website!

I am an experienced Web Developer and a Network Associate. I work and live in Toronto. Please feel free to take a look at my **Resume**. Please contact me if you need any assistance. I work well in team environments but have been known to take on solo projects all the time.

Junior Web Developer specializing in front end development. Experienced with all stages of the development cycle for dynamic web projects. Well-versed in numerous programming languages including HTML5, PHP OOP, JavaScript, CSS, MySQL. Strong background in project management and customer relations.

I do the work I do because I love it. I like the industrv. I like the people I
